Sudip Kumar Sengupta

I am very ardent about the latest and intelligent technologies. Currently, I am doing a project to improve agriculture with the help of machine learning. Seeking an environment where I can serve an organization and get an opportunity to exercise my creative skills and grow.

Clubbing/Volunteering Experience

Director of Human Resources 2019 – Present
BRAC University Computer Club

- Handled large intake of students and their screenings, thrice a year
- Monitored and ensured participations and engagements of members in every event
- Established smooth connection with members’ offline and online through mail
